Call for Presentations

2007 Railroad Environmental Conference
October 23-25, 2007

We are soliciting presentations for the 2007 Railroad Environmental Conference. Interested persons are encouraged to submit abstracts on railroad environmental and energy topics. Papers on railroad applications in the following areas are particularly encouraged:

- Environmental Management Systems
- Energy, Emissions & Air Quality
- Risk Management
- Pollution Prevention
- Environmental Training
- Compliance
- Remediation
- Waste Treatment & Management
- Passenger Rail & Transit Environmental Topics
- Short Line & Regional Railroad Environmental Topics

Please complete and submit abstracts by February 1, 2007. Submissions will be reviewed by the 2007 RREC Planning Group and be considered for inclusion in the program of the 2007 conference to be held 23-25 October on the University of Illinois at Urbana-Champaign campus.

If you are interested in organizing a special-topic panel discussion, please write a brief abstract and identify four to six individuals that you would suggest as participants.

Instructions for submittal:
Please submit your abstract to hagemann@uiuc.edu

Please contact Kim Hagemann if you have any questions on submitting an abstract.
